Baltimore, MD 21201

Sponsors

Support the MPCA 2011 Annual Conference!

Please consider participating as a Conference Sponsor. Sponsorship of this event helps the Maryland Planning Commissioners Association provide high quality training, and programming to its membership as well as provide an opportunity for attendees to network and learn about the companies and organizations that play an important role in creating great communities throughout our state.

There are several sponsorship levels from which to choose and all sponsors will receive extensive exposure to attendees and other guests during the conference and throughout the year on the MPCA website. As this conference is technically a conference and not a trade show, you must become a sponsor in order to exhibit. Please take a moment to review the sponsorship information contained on the Sponsorship (PDF) to identify the most appropriate level for your organization.

We appreciate your consideration and support, and look forward to seeing you this November in Easton.
